Registration: The registration desk will open **at least** one hour before the first event. Participants must be present **at least** one hour before their scheduled event time in case the competition is running early. All competitors **must** have a duplicate CD (back-up) with them at the rink (SEE MUSIC!)

Music: **MUSIC DOWNLOAD DEADLINE IS Friday, February 24, 2017, at 11:59PM EST.**

For the 2017 Adult Eastern Non-Qualifying Competition, online music submission is the **ONLY** acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting

“My Music.” Please be sure you are uploading the correct music for the correct event segment. Be careful, for example, not to mix up your short program and your free skate!

The uploaded program music **MUST** conform to the following specifications:

Programs per file: One [1] - Only one piece of competition program music (e.g. short program, free skate, short dance, free dance, etc.) per file is allowed.

File Format: mp3 - The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to “mp3” from another file format is not acceptable.

Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).

Maximum file size: 10 MB

Maximum run time: Five [5 minutes]

ID3 Metadata [tags]: None - The Chief Music Coordinator strongly requests that mp3 files **DO NOT** contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, **NO EMBEDDED IMAGES!**

Maximum leader: Two [2] seconds] - The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator requests that there be **NO** leader.

Maximum trailer: Two [2] seconds] - The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator requests that there be **NO** trailer.

Backup Music at Event [CDs]: In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, **AT RINKSIDE**, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are **NOT** acceptable.
- Clearly marked with a permanent marker (e.g. Sharpie, do **NOT** use a label or tape) as follows: First Name, Last Name, (Club – Optional but requested), Event, Event Segment and Music Length (e.g. Jane Smith, Acme FSC, Novice Ladies, Free Skate, 3:10 or Synchro Team, Widget FSC, Preliminary, Free Skate, 1:59)
- Each CD may have only **ONE** [1] music track on it. In the case where a skater competes in both a short program/dance and a free skate/free dance, two [2] separate discs must be available. Any disc with more than one [1] track is **NOT** acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may **NOT** be submitted on re-recordable “CD-RW” discs. **PLEASE, no CD-RWs!!**

The LOC, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. The LOC is not responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

Penalty for Incorrect Music or Failure to Upload Music: The LOC may assess each competitor/team an additional charge, up to \$25.00 per event segment, if the competitor/team: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). In the event the LOC decides to assess a penalty, the competitor/teams will not receive their credential

Coach Compliance INFORMATION REGARDING COACHES: U.S. Figure Skating Rule MR 5.11 Coach Registration.

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.
- C. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.
- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Learn to Skate USA ONLY coaches - Any person, 18 and older, instructing a Learn to Skate USA Program must have successfully passed the annual background screen and be registered as a Learn to Skate USA instructor.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without proper registration is an ethics violation which is reported to U.S. Figure Skating and PSA.

For more information regarding Coach Compliance, please refer to:
<http://www.usfigureskating.org/Content/Coaching%20Compliance%20Toolkit.pdf>

- Credentials:** Each athlete will receive a complimentary credential for one designated approved coach. The coach that you select as your primary coach in Entryeeze will be the coach who receives the credential.

- At the time of registration, AFTER competition music has been turned in, each competitor will receive their credential. The competitor's coach will pick up their credential separately at check-in.
- A photo ID must be shown by all coaches when the credential is picked up. CREDENTIALS are non-transferable!**

Anyone closed out of an event will be notified and the applicable portion of the fee returned. Under no other circumstances will a refund be given after the close of entries (February 1, 2017), including conflicting family activities, injuries, illness (USFS Rule# 3235).

Safety on the ice is the responsibility of the skater. Skaters are expected to follow usual rink etiquette. Coaching shall be from behind the side boards.
