### Club History:

Originally called the Skating Club of Northern New Jersey, the club started as an unincorporated association in 1933 primarily skating out of the River Vale Ice Arena in River Vale, New Jersey.

In 1959, it became fully chartered within the United States Figure Skating Association skating out of the Fritz Dietl Ice Rink in Westwood, New Jersey.

Recently, the club has proudly become affiliated with Ice Vault Arena in Wayne, NJ, Floyd Hall Arena in Little Falls, NJ, Skylands Ice World in Stockholm, NJ and the Staten Island Pavilion.

Current and past club members have become Olympic, World, and National medalists, participants and/or team members.

NJFSC is the culmination of over 53 years of skating activities and planning plus literally thousands of volunteer hours united by a common love of figure skating.

NJFSC is a nonprofit, charitable 501 (c) 7 organization dedicated to the advancement and promotion of figure skating in the New Jersey Metropolitan Area.

Whether you are old or young, a skater, parent or spectator, we hope that you will enjoy the figure skating showcased by many of the wonderful athletes in our club.

Our thanks go out to the volunteers, officials and partner ice rinks whose volunteer service and expertise is the foundation upon which the NJFSC is built!
